

## 21.I Information

A wealth of information is available through the [Campus Information Center \(CIC\)](#), located on the 1st floor of the Michigan Union and the north campus Information Center (NCIC), located in the Pierpont Commons Lobby. These centers have a multitude of publications, event information, and campus maps. The CIC website contains maps and information about transportation, U-M events, and includes directions to popular visitor locations in Ann Arbor Southeast Michigan from Central and North Campus. While some information is more germane to students, much of it is applicable to any new Ann Arborite. To get information about buildings, see the [Campus Information Centers' building search](#), which provides detailed information including directions, accessibility, and departments/offices.

An [events calendar](#) maintained by the CIC lists exhibitions, performances, workshops, and other events.
