

21.N Maintenance

[Facilities and Operations](#) has primary responsibility for the stewardship of the university's physical properties, including 37 million square feet of building space. We are responsible for sophisticated and complex academic, research and clinical facilities, as well as associated environmental stewardship and regulatory compliance. F&O is a positive organization dedicated to the principles of being respectful, collaborative, solutions-based, and proactive.

The need for repair work should be reported using the [Online Service Request](#) form.

If this is an **EMERGENCY or URGENT REQUEST** (floods, elevator problems, broken windows, alarms, power losses and water leaks), call the Facilities Service Center at 734-647-2059.
